Hilbert Antonio, Defendant

ORDER FOR SERVICE OF PROCESS BY PUBLICATION IN A NEWSPAPER

[Plaintiff] [Petitioner] has filed a motion requesting that the court approve service of process upon Hilbert Antonio (name of each person to be served) by publication in a newspaper of general circulation.

The court finds that the [Plaintiff] has made diligent efforts to make personal service, but has not been able to complete service of process. The last known address of Hilbert Antonio (name of person to be

served) is unknown.

The court further finds that the newspaper of general circulation in this county is The Gallup Sun (name of newspaper) [and that this newspaper is most likely to give the defendant notice of the pendency of the action]¹ [and in the county of Apache, State of Arizona, a newspaper most likely to give notice of the pendency of this proceeding to the person to be served is: The Navajo Times (name of newspaper)].

THEREFORE, IT IS HEREBY ORDERED that the petitioner serve process on Hilbert Antonio by publication once a week for three consecutive weeks in the Gallup Sun (newspaper) [and once a week for three consecutive weeks in the Navajo Times (newspaper) in Apache (county)]¹. The (plaintiff) [petitioner] shall file a proof of service with a copy of the affidavit of publication when service has been completed.

Dated this 1 day of May, 2026

USE NOTE

1. Use applicable alternatives. Unless the newspaper of general circulation in the county where the action is pending is most likely to give notice of the pendency of the action to the person to be served, the notice must also be published in a newspaper of general circulation in the county where the person to be served is most likely to get notice.

business check if accompanied by a bank letter of credit that guarantees payment in the amount of or in excess of the amount of the bid. Checks shall be drawn to the order of the Property Tax Division of the Taxation and Revenue Department. The Department reserves the right to not accept bids from a bidder who fails to make payment at future auctions. The bidder shall be responsible for all costs, expenses, and attorney fees expended in the collection of accepted bids.

7. Upon receiving payment for the real property sold for delinquent taxes, the Property Tax Division shall execute and deliver a deed to the purchaser. Until a

deed, which consummates the sale is received from the Division, a successful bidder has no right of entry to property purchased. The deed conveys all the former property owner's interest in the real property as of the date the state's lien for real property taxes arose in accordance with the Property Tax Code, subject only to perfected interests in the real property existing before the date the property tax lien arose. The property tax lien against real property arises on January 1, of the tax year for which the taxes are imposed. The State of New Mexico warrants no title to property purchased at public auction sale.

8. The former real property owner or anyone claiming through him may bring an

11. The sale price of real property at this public auction sale is not to be taken or considered as being the value of that property for property taxation purposes.

Information pertaining to the current value can be located in the County Assessor's office.

12. The registered bidder and the Department stipulate that at no time did the Department take or hold title to any property which was subject to the delinquent tax auction. The registered bidder states that at no time did the Department make any representation to him/her or any third person about the property or any environmental condition or danger on or arising from the property. The registered bidder states that he/she has bid at the delinquent property tax auction without any inducement or representation by the Department of any kind. Should the registered bidder become a successful

buyer, the successful buyer agrees to fully indemnify, defend and hold-harmless the Department from any claim that the successful buyer or any third party may have, now or in the future, arising from or relating in any way to any environmental contamination, degradation or danger of any kind, whether known or unknown, on any property purchased at this public auction. This indemnification and agreement to defend and hold-harmless covers any environmental condition arising at any time and has perpetual duration.

13. The auctioneer reserves the right to withdraw from sale any of the properties listed below, to sell any of the property listed below together, or to sell only

a portion of any of the properties listed below. If any dispute arises among the bidders, the auctioneer's decision with respect to the dispute is final, and the auctioneer may auction the property again, in his discretion. The auctioneer reserves the right to reject any and all bids. The Department reserves the right to re-offer any property for less than the minimum bid if the property did not sell for an amount equal to, or greater than, the minimum bid.

Note: Properties not sold at the initial auction may be re-offered at a separate auction immediately following the first sale, in accordance with NMSA 1978, Section 7-38-67(E) and other applicable New Mexico law.
